To Whom may concern

I am writing this letter to recommend Luis Carlos Covilla Yarce for the Master in Science Human Factors in Information Design with the University of Bentley. I was his boss and have known him for last 5 years and 2 months. As a professional Luis Carlos Covilla Yarce demonstrated a lot of learning and knowledge, and the level of commitment necessary to succeed in the University of Bentley and beyond. As a Msc from M.I.T. MA, USA, and Mee Manchester University, MAN, UK. I am happy to be able to provide this recommendation for someone for such a deserving student. I have great respect for Mr Luis Carlos Covilla Yarce and truly believe that. He is a deserving candidate that you will be proud to have representing the MSc. HFID at Bentley.

Some of the things I noticed when he was studying for our projects, was his carefulness with the details and perfectionism, along with his rehearsal for the duties we had scheduled. He was also ambitious and articulated at presentations with clients & devoted to the company goals and approach maximum to accomplishments his labours. Since I had known Mr Luis Carlos Covilla Yarce, his approachable and calm leadership with team members, had grasped many of the company goals, appropriated as his own as his passion to convert complexity to simplicity.

In addition to having first hand knowledge of Mr Luis Carlos Covilla Yarce academic commitment, I am also familiar with his project goals as well as the challenges he will face when it comes to funding the University Scholarship, i can not think of anyone more deserving and I wholeheartedly support his application.

I feel certain that you will be just as impressed with Mr Luis Carlos Covilla Yarce as I am. As a Master with commitment to help in deserving students succeed, I thoroughly encourage you to consider him for this scholarship. Please contact me with a question and let me know if I can provide any additional information in support of this deserving student. You may reach me at mobile phone +573002190153 or personal e-mail robekaro2003@gmail.com.

Regards,

Roberto Caro Navarro
